MidSouth Community FCU was originally founded as Bibb Teachers Federal Credit Union in 1936, and then

developed into a community-chartered credit union in 2001. MidSouth has since grown to have more than \$145 million in assets and a membership of more than 35,000 members. As a community-charter, under guidance by the National Credit Union Administration, MidSouth is able to provide financial services to anyone who lives, works, worships, or attends school in its 13 counties of service. This means anyone in those areas can open an account and take advantage of credit union rates and services. MidSouth Community FCU is a local non-profit financial cooperative, owned and operated by its members.
